

LIGHT WEIGHT PORTABLE EASELS RANGE

OVERVIEW

Telescopic Legs

Allow these easels adjustable height for standing or seated use. Each leg can be shortened or lengthened to align uneven ground.

Adjustable Incline

The work surface of these Easels (except 'E') can be altered to adjust the incline of the work surface from vertical to horizontal. This is of particular benefit to artists that work in several mediums. The adjustable work area is approx. 70cm.

Clever Design

When collapsed to a length of just 80cm these easels will extent to a maximum height of 2 metres and provide vertical work area of up to 140cm.

Compact Size

Weighing as little as 300g, any of these models are ideal for the Travelling Artist, those who prefer to work outdoors, as a second easel for Artists who have a Full sized easel already, or likewise those without the room to accommodate the permanent fixture of a full sized Studio easel.

Individual Features

- A** Doubles as a camera tripod.
- B** Super light Weight suited to all mediums.
- C** Additional arms for a palette, book etc.
- D** Simple construction few moving parts so harder wearing.
- E** Super-Light weight best suited to Stretched Canvas' only.
- F** Identical to C without the 'arms'. Economy version.
